

## CALL FOR PAPERS - English version

\*\*\*\*\*

4to Workshop de Seguridad Informática (WSegI)  
Facultad de Informática de la UNLP, La Plata, Argentina  
August 27 to 31, 2012 (single day to be confirmed)  
<http://www.41jaiio.org.ar/wsegi/>

In conjunction with 41 JAIIO Symposium

\*\*\*\*\*

### ABOUT THE WORKSHOP

WSegI is tasked in the generation of the foundations for the exchange, discussion and analysis of ideas, experiences and projects in the realm of Information Security. The WSegI 2012 organizing committee would like to invite you to your share your experiences and advances in Computer Security.

### SUBMISSION

We solicit submissions in two categories, papers and work-in-progress, which deal with theoretical and practical aspects of computer security and that represent advances in the state of the art.

### TOPICS (inclusive)

- Cryptographic systems and protocols. Cryptanalysis. PKI.
- Access Control and Authentication techniques
- Analysis of Attack Techniques and Intrusion Detection.
- Security Assessment and Risk Management in the enterprise.
- Analysis and identification of botnets & malware
- Security in Social Networks and the Semantic Web.
- Application Security
- Static and dynamic analysis
- Incident response. Remediation. Availability.
- Forensics.
- Identity theft.
- E-commerce, E-voting.
- Privacy & Anonymity

### INSTRUCTIONS FOR SUBMISSIONS

We solicit paper submissions in the previously described topics, in Spanish or English, using the Springer's LNCS format (<http://www.springer.com/computer+science/lncs?SGWID=0-164-6-793341-0>). Submissions should be PDF files having at most 15 pages in A4 paper size. Abstracts should have at most 200 words. Submitted papers will be carefully evaluated based on originality, significance, technical soundness, and clarity of exposition. Duplicate submissions are not allowed. Authors may optionally indicate if they allow their work to be shared with other 41JAIIO Workshops. Accepted works must be presented at the workshop and at least one of the authors must be registered at the time of submission. Check <http://www.41jaiio.org.ar/wsegi/> for making your submission.

### IMPORTANT DATES

- Submission deadline: April 30th, 2012
- Notification of acceptance: June 11th, 2012
- Camera-ready version due: June 25th, 2012

### PROGRAM COMMITTEE

- Ivan Arce (Fundación Sadosky),
- Rodolfo Baader (UBA, Secretaria de Hacienda),
- Carlos Benítez (CITEFA, KHU Technologies S.A.),
- Javier Echaiz (Universidad Nacional del Sur)
- Juan Garay (AT&T Labs - Research)
- Luis Javier García Villalba (Universidad Complutense de Madrid)

- Hugo Krawczyk (IBM - Crypto Research Group)
- Felipe Manzano - (Universidad Nacional de Córdoba, Argentina),
- Mara Misto Macias (Banco Central de la República Argentina)
- Hugo Pagola (Maestria en Seguridad Informatica UBA),
- Leandro Piñer (BASE4 Security, founder/organizer Ekoparty),
- Patricia Prandini
- Alejandro Russo (Chalmers University of Technology)

#### CHAIRS

- Paula Venosa (Universidad Nacional de La Plata)
- Ariel Waissbein (Core Security Technologies)

#### JAIIO ORGANIZING COMMITTEE

- General Cordination: Javier Díaz (UNLP) and Claudia Pons (UNLP)
- Executive Cordination: Alejandra Villa (SADIO)
